Louvered Shutters

Steeped in the traditions of American history, our elegant louvered shutters provide the perfect finishing touch to your home.

Board & Batten Shutters

Open or closed, board & batten style shutters add a rustic look to any home and are perfect for a variety of design styles, from Country to Craftsman.

You can customize virtually any of our louvered or raised panel shutters for a perfect fit to your home. Custom sizes are available, in any length from 18"– 96" (in 1" increments). You can even mix and match custom and standard size shutters on the same home. Board & Batten shutters are not available in custom sizes.

Quality Shutters for Any Home

Our high-quality shutters are built to look as good as your home — whether it's brick, stone, vinyl siding, stucco or wood.

Virtually Maintenance-Free

Ply Gem shutters retain their high quality and vibrant color through the life of your home, and are virtually maintenance-free. We achieve this tremendous quality through our use of advanced UV stabilizers and a tough acrylic coating, which minimize the effects of sun, rain, and wind.

Industry-Leading Warranty

All of our high-quality shutters are built to last a lifetime. Ply Gem shutters will not split, crack or peel. In fact, we feel so strongly about our quality that we offer a Limited Lifetime Warranty on all of our shutters.*

A Style and Color for You

Our three elegant panel styles create the perfect fit for your home. Ply Gem offers classic styles like the louvered design, board & batten design, as well as the raised panel design. Our shutters are available in 18 classic colors, factory finished to ensure quality and consistency. And when styles change they can also be painted with a high quality latex paint. Ply Gem's durable design allows you to repaint the shutters over again.

Variety of Sizes to Fit your Windows

Ply Gem shutters come in a wide variety of standard heights and widths to fit virtually any window. If one of our many standard sizes will not work, we can custom make virtually any length of shutter in raised panel and louvered styles to meet your needs.
