* Sanitization studies were conducted under controlled test conditions. Household conditions and results may vary. With Intelli-Mop Head in HI mode only when used with steam mop. Not when using Steam Blaster™. See Owner's Guide for instructions.

STEAM BLASTER™ TECHNOLOGY

Attack stubborn messes with a directed blast of superheated steam. Soften the grip of stuck-on messes at the touch of a button and wipe away with one easy pass.

TOUCH-FREE TECHNOLOGY

Attaching cleaning pads is hands-free—touch a button to flip open the mop head, slide it into the pad's tabs, and click into cleaning-ready position. Ready for a new pad? Use the easy one-button release.

DIRT GRIP™ TECHNOLOGY

Our washable pads are made with fibers specially designed to absorb and trap dirt. This gives your floors an amazing clean, with minimal cleaning and short dry times.
